HARBOR CITY CHURCH FIRE RAZES COMMUNITY CENTER

(Continued from Page 1-A) an organ were destroyed. In the hardwood chest, which is charred beyond use, was the silver and some tablecloths belonging to the Aid. These articles alone were all that was left of years of sacrifice and work.

There was about \$3,000 insurance on the buildings and contents and with the same perseverance and courage that characterized the building up of what has been a community center for years, church members are already planning future activities and no doubt that will include rebuilding.

In 1915 the people of Harbor City whose children had to go to Lomita to school began demanding a school. Finally a teacher, Miss Sydney Grey, was assigned and school was held in

the church auditorium. This was in February 1916 and there were 24 pupils the first day of school. So the church that burned was also the first school of Harbor City for classes were held there until the first school building was ready in September 1917.

Next Sunday evening at 7:30 there will be a mass meeting in the American Legion Hall to consider the question of a new church building and all residents whether members of the church or not, are invited to attend. Two questions are to be considered: Does Harbor City want a new church building and if so, where shall it be located?

Ministers of neighboring churches have offered their buildings and equipment but the generous offer of the American Legion to use their hall has been accepted for the present.

SINGER... Mary Martin (My Heart Belongs to Daddy) is starred in "The Great Victor Herbert" and sings that composer's immortal melodies in the film opening Sunday at the Lomita theatre. On the same program is Gene Autry's latest Western, "South of the Border."

Torrance Hi News Notes by ELIZABETH FISH

DANCES... There has been quite a discussion between students and faculty concerning the noon dances. The student body put on a very successful noon dance recently and the more students who attend the more dances there will be.

LETTERMEN... After a rough and tumble day a few weeks ago when new members of the Lettermen's Club were initiated by having swats, eating raw fish, garlic and onions, they have gotten down to business. Their first meeting was held recently to acquaint the new and old members and to elect officers for the following term. They are: President, Louie Briganti; vice-president, Rolly Andrews; secretary, Bill Hicks; reporter, Ormsby Miller, and sergeants-at-arms, Bruno Giacomini and Charlie Grubb.

SOUND TROUBLE... The students had been quite pleased with the showing of motion pictures put on by the student government until recently when many who turned out to see "Souls At Sea" with Gary Cooper and George Raft were disappointed. Something went wrong with the sound track. It was later found out it wasn't the school's equipment but the picture company's. The students are to soon see "Mississippi" with Bing Crosby and are hoping it turns out better.

First Prep Dance Is Friday Night

The first of a series of dances planned to provide wholesome recreation under proper supervision for Lomita youth will be the Prep Dance Friday night in the boys' gym at Narbonne high school. This will be a St. Patrick dance and many unique features have been planned. Vern Taylor's orchestra will furnish the music and all Narbonneites know what that means.

Narbonne students, alumni and students from other high schools who present their student body tickets will be admitted for the small price of 15 cents for girls and 20 cents for boys. There will also be a girls' and a boys' door prize.

A group of patronesses will supervise the dances and they assure all parents that the dances will be conducted in such a fashion that they need not hesitate to allow their boys and girls to attend. Patronesses for the first dance are Mrs. J. L. Abbott, Mrs. V. H. Taylor, Mrs. A. J. Fitzgerald and Miss Grace Champion.

SOME CALL IT LOVE!... Cary Grant and Rosalind Russell are shown above in a "romantic" scene from the wild, witty comedy, "His Girl Friday" opening tonight at the Grand theatre. On the same program is "High School," Jane Withers' latest comedy, many of whose scenes were filmed last fall on the Torrance high school campus.

"HIS GIRL FRIDAY"... Devil-may-Cary Grant and lovely Rosalind Russell are co-starred at the Plaza theatre in Hawthorne beginning Saturday in the gay romance, "His Girl Friday" with Ralph Bellamy.

Treasure Island in Bloom

Donning its gay new colorful dress in preparation for the opening of the 1940 season on May 25, Treasure Island in San Francisco Bay is already a scene of beauty. Rita Wynn points out the golden bloom which adorn over 300 acacia trees on the Exposition grounds. Over 700,000 annuals have been newly planted for the first half of the new season, to be followed by an entirely new pattern in mid-season.

STATE PICNICS

NEBRASKA... All former Nebraskans are invited to attend the spring picnic reunion in Sycamore Grove Park, Los Angeles, Saturday, March 23.

In Rochester, Minn., famed for the Mayo clinic and hospitals, the streets have no curbs to interfere with wheel chairs.

TECHNOCRACY MEETINGS

The Torrance section of Technocracy Inc., holds organization meetings Wednesday nights and regular study classes Friday nights at 1915 West Carson street, according to L. K. Kelly, organizer, who invites the public to attend.

awarded the best performance. If this show proves a success, plans have been made to hold them each Saturday morning through the summer season.

At Walteria the same contests are being held for boys and girls of that district at the recreation center. All youths interested in this activity may receive additional information from recreation headquarters, 24439 Park street, Walteria. The new schedule for the summer season in the Arts and Crafts room are from 10 to 5:30. The night classes are also being continued at Walteria and Arlington avenue.

Beginning with the marble tournament, all participants will be given a certificate of merit card. This card will be kept thru the summer and totaled before the fall semester of school opens in September. For each first place in a contest a total of five points will be given, for second place three points, for third place two points, and for each honorable mention one point will be awarded. Be sure to secure your merit card on March 21, enter each tournament in which you are declared eligible thereafter, and try for one of the final prizes which will be awarded at the end of the summer season.
